About Kirklees Year of Music 2023

Kirklees Year of Music in 2023, is a unique, place-based, cultural change programme. Through investment in the district's diverse music talent, communities and businesses, the year-long programme of major events and durational initiatives, will strengthen the music ecology of Kirklees from its roots.

With children and young people front and centre, our strategic impact areas are music education, health & wellbeing, community cohesion, night-time and visitor economy, aspiration & skills, and inclusion with the overall aim to reduce inequality, and level up access to opportunity.

Mission

Kirklees Year of Music 2023 harnesses the universal power of music to bring people together, improve health and well-being and put Kirklees firmly on the global map as a place where great music can be made, played and enjoyed.

About The Saving Grace Collective

A social enterprise / non-profit organisation working with people from a variety of backgrounds and circumstances locally, regionally & nationally. (including young people & adults at risk of financial, social, cultural, sexual orientation, gender-based exclusion).

The Saving Grace Collective provides access to music, film and multimedia projects as a tool to engage young people in both formal and informal settings. We aim to develop and enrich young people's & developing artists' technical skills, experiences, aspirations, achievements, self-esteem, social skills and confidence.
